

The architectural floor plan illustrates a renovation project for a building. The plan is divided into several functional areas:

- Warehouse (MAGAZYN 28.16m²):** Located on the right side, featuring a large open space with a grid of dashed lines indicating structural layout.
- Restrooms (KABINA WC):** Four restrooms are shown on the left side, labeled -1.4, -1.5, -1.7, and -1.8, with areas ranging from 1.09m² to 1.39m².
- Communication Areas (KOMUNIKACJA):** Three communication areas are shown, labeled -1.1, -1.2, and -1.6, with areas of 3.61m², 7.14m², and 4.79m² respectively.
- Structural Elements:** The plan includes numerous concrete columns (słup żelbetonowy) and foundations (stopa fundamentowa) with specific dimensions and labels. For example, columns S1, S2, and S3 are shown with dimensions like 85.5x30cm and 59x30cm.
- Demolition and Construction Work:** Various areas are marked for demolition (demonтаж) and construction (budowa). This includes the removal of existing walls, windows, and doors, and the construction of new walls, windows, and doors.
- Dimensions and Room Numbers:** The plan includes numerous dimensions for rooms and structural elements. Room numbers are provided for each functional area.
